TERMS OF SALE

THIS IS A PUBLIC AND MAIL BID AUCTION SALE — All material is sold to the highest bidder. Mail bids are entered in the order received, and in the event of duplicate bids, the Lot is awarded to the first bidder. PLEASE FILL IN COMPLETELY ALL INFORMATION REQUESTED ON THE BID SHEET.

- * All "floor bids" are final.
- * All bids must be submitted for the entire Lot - partial Lots will not be sold.
- * Bids will not be accepted from minors.
- * Title to all auction Lots remains with Paramount until paid in full.

GUARANTEE — All material offered is guaranteed genuine and as described in the catalog unless otherwise stated. **AUCTION SALES ARE NOT APPROVAL SALES!** Any claim of error must be made within three days after receipt of material. Lots may not be returned without written permission.

VALUATION — To assist bidders, we have indicated an estimated value on most Lots based on "Trends," reference books (catalogs), and recent auction records. This is an estimate and in no way is meant to be indicative of the price the Lot will actually realize as higher or lower prices may prevail.

PAYMENT — The terms of this Sale are strictly CASH, and payment is to be made immediately on receipt of either material and/or invoice. Remember, Auction Sales Are Not Approval Sales! NOTE: In the event of Lots delivered "on the floor," local Sales Taxes will apply. Lots shipped from our offices in Englewood are subject to 4½% Sales Tax chargeable to Ohio Residents. Postage and insurance will be added to your invoice on Lots shipped.

TO MAIL BIDDERS — No "Buy" or "Unlimited" bids will be accepted. We act as your agent and will purchase for you as much below your bid as the next highest bid will permit. No commission is charged for handling your bids, and we reserve the right to refuse ridiculously low bids. PLEASE RECHECK YOUR BID SHEET as we cannot assume responsibility for errors in either the amount bid or the Lot number entered on your Bid Sheet.

REFERENCES AND DEPOSITS — If bidders have not established credit with our Company in the total amount of their bids, then complete and satisfactory credit references must be supplied—and a deposit of 25% of the total amount of bids will be required in order that such bids may be executed. Deposits submitted will be applied to purchases and any unused portion of such deposits will be refunded immediately after the Sale. **PAYMENT WILL BE REQUIRED IN ADVANCE OF DELIVERY OF LOTS WHEN THE TOTAL SUM EXCEEDS THE AMOUNT OF PREVIOUSLY ESTABLISHED CREDIT.**

Mail Bids for this Sale must reach our office in Englewood, Ohio ON OR BEFORE MONDAY, NOVEMBER 1, 1971. Late Bid Sheets may be mailed direct to Paramount International, c/o the McAlpin Hotel, 34th & Broadway, New York, New York 10001. A post-paid envelope is enclosed for your convenience.

QUANTITATIVE GRADING

You will notice as you leaf through this catalog that we are now using the QUANTITATIVE GRADING method of describing most of the Lots in this Sale. This is to help you, the bidder, to know more precisely the condition of a coin. It works like this: If a consigned coin just meets the minimum requirements to qualify, for example, Very Fine by Brown & Dunn standards, that coin will be listed as VF-20. If the coin is better than minimum, it would then be listed as VF-25. If it is what normally would be listed as Very Fine to Extremely Fine, the coin would be designated as VF-30.

The following numbering system is employed in this scale:

Very Fair.....	3	Very Fine.....	20-30
Good.....	4-6	Ext. Fine.....	40-45
Very Good.....	8-10	About Unc.....	50-55
Fine.....	12-15	Uncirculated....	60-70

We believe this Grading System will prove beneficial to you. Your reaction and comments on this would be appreciated.

INSTRUCTIONS TO MAIL BIDDERS

If you have never before bid by mail, you may feel somewhat at a loss in submitting a mail bid for an auction sale. Basically, however, the procedure is quite simple. You will notice on the enclosed Bid Sheet a place for entering the Lot Number as well as the amount you wish to bid (It is not necessary to describe the lot on which you are bidding). After carefully reading the description of the Lot in question, simply write down the Lot number and the maximum amount you are willing to pay in the appropriate columns. For example, let's assume you are interested in bidding on Lot No. 193. Determine the maximum price you will pay for this Lot and enter this amount on the Bid Sheet as follows:

NO.	BID
193	\$95.00

You will note we have used the term "maximum amount" above. The bid which you enter is the "maximum amount" or top price you will pay for a Lot. However, there's always the chance you may obtain the Lot for less! As indicated in our "Terms of Sale," we act as your agent and execute your bids as if you were there in person at the Sale. We will buy the Lot for you as cheaply as possible over the next highest bid. In other words, if your bid, for example, is \$95.00 on Lot No. 193, and the next highest bid, whether by mail or floor, is only \$75.00, the Lot would be awarded to you at \$80.00, or a nominal 5% to 10% increase over the next highest bid.

Before entering your bids, please read very carefully our "TERMS OF SALE." And if you have any questions regarding bidding or regarding the Sale itself, drop us a line and we will reply at once. Bidding by mail permits the individual to participate in the auction sale just as though he were able to attend the Sale in person. Many bargains are obtained through the medium of auction sales, and it can be a very exciting as well as rewarding method of obtaining needed items for your collection. We look forward to your participation in this, as well as future, Sales.

Our Next Auction Sale

EARLY PART OF 1972

Paramount's next Auction Sale will be a MAIL BID ONLY SALE. We are now accepting consignments and if you are interested, would like to hear from you.

We are finding that Mail Bid Sales are becoming increasingly popular since they lack the competition of floor bidding. We issue the same quality catalog for this type of sale and we ship to the same Mailing List of thousands of active buyers. It is carried out in every detail the same as any other Auction Sale. Only the floor bidders are missing.

DEADLINE FOR CONSIGNMENTS JAN. 1, 1972

WRITE TODAY FOR COMPLETE INFORMATION

Auction Display

Lots in the Grand Central Sale will be available for examination at our offices the week prior to the closing date of the sale. Lots may be inspected anytime between the hours of 9:00 and 4:00, October 25th through the 29th. We shall look forward to seeing you.

Estimates

The values appearing after most of the lots are merely estimates and are derived from "Trends," reference books or catalogs, and recent auction records. These are not meant to be indicative of the price the lot will actually realize, as higher or lower prices may prevail.

Please Note

Due to difficulty in shipping, all large and/or bulky lots will not be available for viewing at this sale. These lots will be shipped directly from our offices in Englewood, Ohio

COINAGE OF GERMANY

We are extremely pleased to present the following outstanding collection of Deutsches Reich coinage. This consignment comes to us from a prominent eastern collector (whose name is very German) who has spent over 35 years assembling this fine collection. Comprised of coins of the highest quality, this collection contains many proofs. In fact, such a desirable assemblage of German "coin of the realm" will probably not be seen again for many years.

In light of the tremendous interest in this material at the present time (resulting in steadily advancing prices), estimates or valuations have not been included in the description of these lots. Note: A few of the Proofs have the professional protective coating commonly used in Europe. This coating is mentioned only if it is rough or perhaps detracts slightly from the appearance of the coin.

Attributions are according to Jaeger, Yeoman and Davenport.

CHECK THE FACTS

IF YOU ARE THINKING OF SELLING YOUR COLLECTION

Fact #1

Its a FACT that Paramount's past Auction Sales have set some of the highest records for individual coins as well as overall sales results.

#2

Its a FACT that Paramount presents each consignor with an auction contract, spelling out the terms and conditions of our Auction Sales—thereby protecting the consignor as well as the consignee.

#3

Its a FACT that any material you consign—whether its your entire collection, part of your collection, or just your duplicates—will receive the greatest possible exposure, in a top-quality catalog, mailed to active collectors like yourself.

And as an extra bonus, here's another FACT: Unlike everything else these days, our standard commission rates have **NOT** gone up! They remain the same. You will find them reasonable, all-inclusive, and with no hidden costs to worry about later.

Now that you know all the FACTS, why not put them to the test. Simply call John Queen of our Auction Department. He will be glad to fill you in on all the details.

We Put
Paramount
On A
Pedestal

A few years back, we put Paramount on a pedestal. A very high pedestal, in fact.

We set the highest possible standards and ideals. We knew our goals — and they were lofty ones. Indeed, at times they seemed almost out of reach. But with each year, every department at Paramount grew and expanded. We even outgrew our original office space and had to build an addition. We are continuing to grow and today are rapidly approaching the need for a further expansion.

With several of our goals already a reality, we no longer fear that Paramount might topple from its high pedestal. Paramount is up there to stay. And you — our friends and customers — have helped to put us there.

We think this says a lot for those high standards and ideals, those lofty goals we had yesterday. For today they have proven themselves. And tomorrow will bring new ones to challenge us.

Yes — we feel pretty good up there on that pedestal!
